In this way, Littlejohn relies on some apparently innocuous assumptions about the factivity of evidence and the ability of deduction to transmit justification in order to derive the decidedly unpopular thesis that justification is factive.

## **The Business**

Anne, Numero deux, in a very good Apartement, though rather small compared with the Chateau de Pompignan; this you will believe when I tell you that my bedroom is about two thirds of the size of the dressing room at Queen Square 1 and the bed occupies about half of this roomy apartment, so that with my enormous trunk and a set of portable shelves which Madame de Chesnel has lent me, I have not, you may suppose, much space for myself and my poor chair, though I cannot say there is not room for me to turn round.
