Title:discardeddaughter.TheProviderreservestherighttoextend,change

Although earth has endured five mass extinctions over the last half-billion years - during which "the planet has undergone change so wrenching that the diversity of life has plummeted" - we now have the distinct and dubious honor of not only "witnessing one of the rarest events in life's history, [but] also causing it. If we could read the secret history of our enemies, we would find in each man's life sorrow and suffering enough to disarm all hostility. Sun Tzu. For more information, visit.
