Ancient learning and literature was lost in that catastrophe, almost certainly including the complete works of ancient authors whose writings now exist only in tattered fragments. More important, we have the record of a German visitor to Magdalene in the mid-years of the century who most conveniently left a plan of what it then looked like.

The main research aim of MAGICAL and of the reported pilot was to investigate the viability and educational added value of digital game making, especially for supporting transversal 21st century skills such as collaboration, creativity, problem solving and ICT literacy. But withal, who of us who have passed the forties do not find grace to thank Heaven that lads and lassies have not lost their quick pace, that their eyes still reflect the bead and sparkle of new wind. You are listening now, Sir, to one whose confidence in your life is a full and growing satisfaction, who is audacious enough to hope that humanity is yet to be renewed by this never-fading crimson stream of warm life blood that flows into the sunken river of destiny.

Wall Street and Witchcraft: An investigation into extreme and unusual investment techniques

And what a story it is: A cunning jackal who decides to spare himself the effort of hunting for food by tricking his fellow forest creatures into being gobbled up whole, beginning with his friend the crane; he slyly swallows them one by one, until the whole menagerie fills his belly - a play on the classic Meena motif of the pregnant animal depicted with a baby inside its belly, reflecting the mother-daughter genesis of the ancient art tradition. Ella reacciona a sus provocaciones y todo parece valer siempre y cuando pueda mantener su virginidad.
