Actuarial science, of the kind used to project the future solvency of social security, is by nature subject to uncertainty. IAGO I. From the two main characters, an innovative and successful sheep farmer Hugh Westbrook and the woman Joanna Drury who steals his heart when they meet by coincidence upon her arrival in Australia in search of her personal history and a plot of land that was her inheritance to the aspiring and jealous sheep farmer neighbors who are constantly affecting the main couple, to the Aborigine descending family friends who shape their beliefs and customs with the ways of the old, I loved learning about this colorful

cast of characters. Great content, very suitable for beginner and experts .
