Reunion by Eve Ferris.

**Where did we come from?**

Trump can't win this thing. I think and feel Jessica wrote her ass off with this book and I am going to say that this is her best work by far.

**The Ultimate Alternative Approach to Weight Loss**

Though in certain rude societies now existing, one of the propitiations is the repetition of injunctions given by the departed father or chief, joined in some cases with expressions of penitence for breach of them; and though we are shown by this that from the outset there exists the germ out of which grow the sanctified precepts eventually constituting important adjuncts to religion; yet, since the supposed supernatural beings are at first conceived as retaining after death the desires and passions that distinguished them during life, this rudiment of a moral code is originally but an insignificant part of the cult: due rendering of those offerings and praises and marks of subordination by which the goodwill of the ghost or god is to be obtained, forming the chief. After living in a camper for the past two months, San Diego felt light- years away.
