José Martí, Ernesto "Che" Guevara, and Global Development Ethics: The Battle for Ideas

A society that is organized around human needs: a society in which child raising is not dismissed as each woman's individual problem, but in which the nurturance and well-being of all children is a public priority - a society in which healing is not a commodity distributed according to the dictates of profit but is integral to the network of community life - in which wisdom about daily life is not hoarded by experts or doled out as a commodity but is drawn from the experience of all people and freely shared among. David J.

The bug family amusement park.

The Blue Mountains : grand adventure for all by Peter Stanbury. On a more general level, there exists in contemporary culture a certain Promethean attitude which leads people to think that they can control life and death by taking the decisions about them into their own hands.

From the Curb to a Castle

Dorabella angrily And what do you expect.
