Ein paar dieser Momente zu einer Art Muster zusammenzubinden, scheint eine gute Sache zu sein. The writing is good, written simply, edited. Something special.

Their minds are strictly glued to the fussof technology and now are beginning. Certainly science and technology are important, but we need to refocus liberal education, not ignore it. Further exemplification and details of the transition units can be found on the DfES website. We need to make some course corrections. Ultimately we would never send any book we would not pick up and read. Hapi, the waters flow.
