Here's how to be totally irresistible. Anthony Gregorca, b identifies four basic processes by which individuals differ in their learning patterns: 1 a concrete-sequential process characterized as structured, practical, predictable, and thorough; 2 an abstract-sequential process-logical, analytical, conceptual, and studious; 3 an abstract-random

process-sensitive, sociable, imaginative, and expressive; and  
4 a concrete-random process-intuitive, original,  
investigative, and able to solve problems.
