South Seas Hitchhiker

Or water.

Wearing Black To The White Party

Last read October 16, to October 17, While Theodor Fontane's novel *Effi Briest* is definitely and with justification considered a classic and as such a masterpiece of German poetic realism, the author's and with that also of course the narrator's at times overtly critical textual distance which when it materialises does tend to feel and read rather like an emotionless, critical analysis also renders *Effi Briest* and by extension author Theodor Fontane himself as somewhat a literary midwife for the development of the 20th century Gesellschaftsroman novel of society of novels like Thomas Mann's *Buddenbrooks* which not only show and tell about scenarios, situations, happenings, but also and actually often first and foremost analyse and discuss. At present, the Church is experiencing a renewal based on the centrality of the Word of God, the great plan of the Second Vatican Council, which continues to the time of this Synod.

Miracle in the Park

I see the house. And she's buying the stairway to heaven.
